Data Controllers

For the purposes of the UK Data Protection Legislation, the Client is the data controller and our business as the Provider of our products and services is the data processor (where "Data Controller" and "Data Processor" have the meanings as defined in the UK Data Protection Legislation).

Our privacy notices provide information about how we use and share personal data relating to consumers and clients who contact us with an enquiry, request or complaint.

We are constantly improving and developing our services, products and websites, so we may change our Privacy Policies/Notices from time to time. If the changes are significant, we will provide you with a notice, when we are required to do so by applicable law.

Last revision date of our Privacy Policies/Notices September 2024
